Ling & Louie's eatery now open

SCOTTSDALE — Ling & Louie's Asian Bar & Grill has opened in the Shops at 9400 center at 94th Street and Shea Boulevard.

The casual-dining spot serves traditional Asian meals and contemporary twists on steak, meatloaf and other American fare.

It also offers takeouts, catering and a full bar.

Founder Randy Schoch, who started Roy's Pacific Rim Cuisine in Scottsdale in 1998, opened the first Ling & Louie's in Denver in 2006.

The chain plans its third franchised location in Denver this summer and a fourth inside the Sheraton Wild Horse Pass Resort & Spa early in 2009.
